Lavanya: What's the big deal, by the way Maths is a boring subject.

Yuvaan: (with enthusiasm) it's a big deal at least for me, Lavanya, as I am a Maths lover, even everybody call me a Maths freak, and Shaanvi nothing like secret conversation. I am going to reveal the reason why I haven't done my homework.

Shaanvi: Yes, please.

Medhasvini: But, where's your bro, Moksh?

Yuvaan: Yeah, actually even I am shocked why Moksh didn't come to school, today...

Moksh: Bro, I am here, I didn't come to school because of Sharmaji you know my dad...

Shaanvi: (with irritation) Yuv, at first, you sat here in the bench and now nobody will speak a single word except him.

Yuvaan: Take it easy, Shaanvi, The only reason is that I am preparing for the Mathematics Olympiad and I am too busy in the preparation even I don't get the time to eat food on time, having a conversation with my family, having a chat session with my closest bestie Shaanvi, don't know the reason why Moksh didn't come to school?, not doing a homework like today's Maths homework and that's the reason, Shaanvi, I was discussing this problem with Aanchal ma'am and so sweet of her she understood my problem and told me not to take any type of tension regarding homework of any subjects as she will talk about this with the principal.

Shaanvi: Oh My God, for this reason, you were not chatting with me, and you were out of the class, today. It's great to hear that you are preparing for a Mathematics Olympiad and you are such an idiot you are sharing this now, should have told this from the first day of class 12th.

Lavanya: For sure, it's a big deal for you, preparing for a Mathematics Olympiad, if you get free time of course after your Olympiad then you have to teach us Maths for our board examination. And all the very best.

Shaanvi: Yeah, I'm on the batch too.

Moksh: Me too, Yuv.

Shankar Bhaiya: Now, I think this is your conference table and you all will come every day, Looks like I have to open the accounts of credit for you all.

Lavanya: Shankar Bhaiya, it's more like a stress busting session for us. What's say, boys and girls?

Shaanvi: No doubt.

Moksh: Of course.

Shaanvi: Oh ho, what's the matter, Mr. Moksh? You and Medha is speaking in same rhythm, nowadays.

Shaanvi and Yuvaan shared high five.

Lavanya: Guys, I am also present here.

Everybody laughed and shared high five with each other.

Medhasvini: By the way, Moksh, how did you know we will stay here as you directly coming from home?

Shaanvi: Moksh is dark horse (chhupa rustam) you know.

Yuvaan: What's all this, Moksh?

Moksh: No, I just came to check you guys are here or what?

Medhasvini: I don't consider this as a convincing answer.

Lavanya: Kind of, Moksh is hiding something for sure.

Shaanvi: Let me tell you, what actually Moksh is hiding from us. Moksh had either a crush on Medha or he loved Medha.

Medhasvini: How did you say this?

Shaanvi: I have seen FLAMES on the back side of his English copy. And surprisingly guess what the letter 'L' was there which means "Love". I have the picture of it let me show you.

MOKSH & MEDHASVINI | FLAMES

MOKSH & MEDHASVINI | 8th Letter 'L' – Love.

Medhasvini: Moksh, is this correct?

Moksh: Unfortunately.

Yuvaan: Do you have a feeling for Medha?

Moksh nodded his head.

Medhasvini: Since when?

Moksh: Class 8th but you leaved our school after board examination of class 10th and everything changed.

Medhasvini blushed.

Shaanvi: Nothing had changed, Moksh, this year is your last chance otherwise you will miss this chance. Now, I think it's time for LHS=RHS.

Yuvaan: Nothing to Say.

Lavanya: Epic love story.

Shaanvi: See reaction of both of them, they are in different state. Leave them like this. We shall continue our conversation.

Lavanya: Yeah sure. So, Yuvaan, who is your crush?

Yuvaan: Is it necessary to discuss this?

Lavanya: Of course.

Yuvaan: Fine, I will answer this question after coming back from Patna.
